The following is an examiner's statement of reasons for allowance: Claims 10, 12 and 33 state the limitation "wherein the sheet-like board member is made of metal".

This limitation, in conjunction with the other claimed limitations was neither found to be disclosed in, nor suggested by the prior art. Claim 26 states the limitation "said protuberances formed within an abutting region defined on said planar surface, said abutting region provided to contact with an upper metal mold". This limitation, in conjunction with the other claimed limitations was neither found to be disclosed in, nor suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
